

CREOTREAT BUILDING PRODUCTS

1. Identification of the product

Product: Creotreat - Dark Brown & Black / Wood Preserver and timber treatment

2. Hazardous Identification

Major Health Hazards;

Harmful if swallowed. Limited evidence of a carcinogenic effect. May cause photosensitivity. See section 11 for additional information.

Ecological Hazards;

Very toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment. See section 12 for component data.

3. Composition/ Information on ingredients

CasNo -	Weight%	Symbol & R-Phrases
Chemical Name -	90	Xn: R22, 40 N: R50/53
MSR Oil - Bitumen Paint	10	R40

4. First Aid Measures

Inhalation:

If Adverse effects occur, remove to uncontaminated area. Give artificial respiration if not breathing.

Get immediate medical attention

Skin Contact:

Wash Skin with soap and water for at least 15 minutes, or use a waterless hand cleaner, whilst removing contaminated clothing and shoes. Get immediate medical attention, if needed.

Eye Contact:

Flush eyes with plenty of water for at least 15 minutes. Then get immediate medical attention

Ingestion:

DO NOT INDUCE VOMITING. If vomiting occurs, keeps head lower than hips to help prevent aspiration. Never give anything by mouth to an unconscious or convulsive person. get medical attention, if needed.

5.

Physical and chemical properties

Physical state:	Liquid
Colour:	Dark Brown or Black
Odour:	Coal tar Odour
Boiling Point:	230-300c
Freezing Point:	0c
Flash Point:	100c

6.

Stability and reactivity

Reactivity:

Stable at standard temperatures and pressure

Conditions to avoid:

Avoid heat, flames, sparks and other sources of ignition Avoid contact with incompatible materials

Incompatibilities:

Oxidising materials

Hazardous Decomposition:

Thermal decomposition products or combustion: carbon monoxide, carbon dioxide and hydrocarbons

7.

Toxicological Information

Inhalation:

Short Term Exposure: Irritation

Long Term Exposure: Nasal Cancer

Skin Contact;

Short Term Exposure: Irritation, sensitivity to sunlight

Long Term Exposure: Irritation, sensitivity to sunlight

Eye Contact:

Short Term Exposure: Irritation, sensitivity to sunlight

Long Term Exposure: Irritation, sensitivity to sunlight

Ingestion:

Short Term Exposure: Harmful if swallowed

Long Term Exposure: No Information is available
